1st and 3rd Semester (SEP)

JANUARY 2014

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
13	14	**15** Rigorous Software Development — 11:00 Agile Software Development: Agile Practices and Agile Usability — 15:00 Critical Software — 18:00	**16** Software Economics — 11:00 Management, Relationships and Communication in Working Groups — 15:00 Challenges for Accessible Computing for People with Functional Diversity — 15:00	**17** Software Metrics — 11:00 Models and Methods for Process Improvement and Assessment — 15:00 Verification and Validation — 18:00	18	19
20 Requirements Engineering — 11:00 Software Project Management — 15:00 Data Engineering — 18:00	**21** Computational Finance — 11:00 Master Thesis — 15:00	22	23	24	25	26

2nd Semester (FEB)

JUNE 2014						
MONDAY	**TUESDAY**	**WEDNESDAY**	**THURSDAY**	**FRIDAY**	**SATURDAY**	**SUNDAY**
2 Software Design 15:00	3 Interaction Design 15:00	4 Experimental Software Engineering 15:00	5	6 Software Quality Management 15:00	7	8
9 Agent Based Software Development 15:00	10	11 Software Architecture 15:00	12	13 Master Thesis 15:00	14	15

Extraordinary period (JUL)

JUNE-JULY 2014						
MONDAY	**TUESDAY**	**WEDNESDAY**	**THURSDAY**	**FRIDAY**	**SATURDAY**	**SUNDAY**
23	24	25	26	27 Requirements Engineering 11:00 Master Thesis 15:00	28	29
30 Software Architecture 11:00 Data Engineering 15:00	1 Software Project Management 11:00 Challenges for Accessible Computing for People with Functional Diversity 15:00	2 Software Metrics 11:00 Critical Software 15:00	3 Rigorous Software Development 11:00 Agent Based Software Development 15:00	4 Software Quality Management 11:00 Software Design 15:00	5	6
7 Agile Software Development: Agile Practices and Agile Usability 11:00 Management, Relationships and Communication in Working Groups 15:00	8 Software Economics 11:00 Verification and Validation 15:00	9 Experimental Software Engineering 11:00 Models and Methods for Process Improvement and Assessment 15:00	10 Computational Finance 15:00	11 Interaction Design 15:00	12	13
